The Healing Rooms meet nearly every Thursday evening, and we've been full to the brim with those in need. We have all noticed a greater move of the Spirit, touching people within the depths of their souls. As He graces us, Father's gentle, 'surgical' tools are sent to the roots of bondage and sickness.

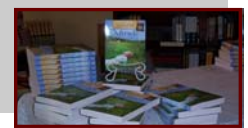

A familiar explanation used by the Healing Rooms' ministers to new candidates for prayer is: "We don't know what we're doing." That means: *We have no agendas. It's up to what God is touching at this time. We have no pre-conceived ideas about how to minister to God's individual children ...until HE SHOWS US. We act as the Great Physician's "nurses", waiting on His prescription for each person. No two ministries are ever alike, even for the person who returns other evenings for prayer.*

*We Have
no agendas.*

Needless to say, no one is anymore blessed and amazed at His immeasurable love towards His children. It is the greatest privilege to watch Him do only what He can do--yet with imperfect people as His vessels. **A-m-a-a-a-zing.**

BOOK STORE:

There has been growing interest in the materials that we provide on the Healing Rooms book table. As supplies diminish, we re-stock as quickly as possible. Everyone is on the honor system to slip the amount for the item in the offering box. We depend upon donations from prayer candidates, new and returning ones, to help us to run this ministry. It is self-supportive, though under the oversight of Jubilee's pastors. Checks can be made to Jubilee Christian Ministries, with Healing Rooms in the subject line.

YOUR PART IN THIS MINISTRY:

Everyone knows someone who needs healing. Should you desire to come for ministry yourself - or should you desire to bring or send another - contact our secretary Renee, and secure an appointment for Thursday evening.

A common mishap among those who are first-time prayer candidates is that they are not aware of how we prepare for their appointment. First of all, we spend an entire hour in prayer before the Rooms are open, asking the Father for His anointing. Those who have been assigned to minister to a certain person pray over the needs we are aware of, and those the Lord reveals by His Spirit. When they do not arrive, that appointment time is left vacated - with three or more ministers seated and waiting. We don't want that to happen to those who have given of their time so willingly.

How we prepare for your appointment.

NEED DIRECTIONS TO OUR CHURCH?????????????

Our secretary mails a letter to first-time candidates, giving them a map to our location in Greensboro. Map Quest can sometimes be a bit confusing to those coming in on new by-passes. If an appointment call is made in sufficient time to receive this mailing, then there should be clarity. If not, and there's any doubt, you may call the church number.

TESTIMONIES:

"I had surgery for a rotary cuff repair. I had quite a bit of difficulty with side effects, seemingly from surgery-but that was just the catalyst that brought the trouble out. I was diagnosed with benign essential tremors. Medicines were of little use, since it is a genetic condition. I made an appointment with the HR's.

After ministry, I said, "Well, that was very interesting; we will see." Ten months later, God healed me from a very fatiguing illness that controlled every part of my life. I will always be grateful for those beautiful ones who loved Christ and gave their time to pray specifically for me and my needs. Today, I'm involved in this ministry, and love

praying for the needs of others. Praise God from whom all blessings come. How He loves us! Raised in Healing Love, **GM of Greensboro**

“Having prayed about a chronic health problem, the Holy Spirit informed me that it was a spiritual, rather than a physical, attack. I made an appointment to come to the HR. After discussing prayer, which revealed an unresolved conflict from childhood, the pastors prayed for the darkness to be purged from my body. I went home and was purged all the next day. The substance expelled was black. It did cleanse and heal my body, resulting in my health problems becoming greatly improved. **DC from Salisbury**

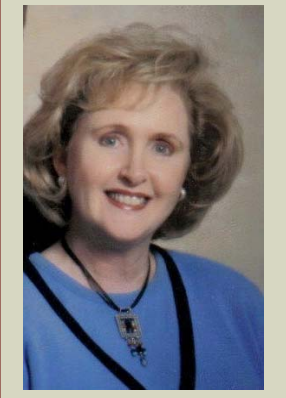

TESTIMONIES FROM HEALING ROOM MINISTERS:

“It is one of the great joys of my life to work in the Healing Rooms, and to have the honor and privilege to have a front-row seat for what God is doing in the lives of those who come in to be ministered to. I always leave having been once again reminded of the incredible love of Jesus for me and for all mankind.” Shelley Miller

“Being a minister in the HR’s has been such a blessing to me. When we go through our days and see all that GOD has done, we may think that this is all there is; but, there is nothing like watching God the Father take a sick and broken person and put that person back together. Nothing is too big for our God. No matter if it is spiritual, emotional, or physical. For me, it is great to be a part of it! Lynne Mattioli from Liberty

A Portion of a Revelation given to Pastor Carolyn, 10/20/07:

“**DON’T FLY LOW!**” the Lord said. I heard these words, and He then called to my remembrance the 3 levels of heaven. The **3rd heaven** is where God lives and orchestrates His will on the earth. He speaks His will to His *hearing* children. The **2nd heaven** is where the enemy battles for his will. He uses those who have their own agendas, for example. The **1st heaven** is what we see with the natural eye, as in looking at the sky-where everything is visual to the sight.

Pastor Carolyn Lee

“The Lord spoke that, as long as you see things from sight-the 1st heaven-you will remain affected by the natural. ‘He who sows to the flesh, reaps the flesh.’ ‘We walk by faith, not by sight.’

“When we encounter the **2nd heaven**, we are tempted to think that what we see, added to the battle raging in the spirit, argues that the plan must be wrong. We get discouraged and begin to retreat. ‘He who shrinks back does not please the Lord.’

“When we hear the word of the Lord, we know that His design will become established in the earth-as long as we do not get caught up in the **1st and 2nd heavenly** perspectives. We must keep our eyes on Him, looking far beyond the horizon to His eternal purpose. Again... ‘He who sows to the spirit reaps the spirit...’ [...the rest of the word was specifically for our church]

Pray for the Healing Rooms

Pray for the Healing Rooms, when the Lord brings us to mind. We need His strength empowering us to hear His voice, to co-labor with Him in ministry, and to see the captives set free. Any donations should be sent to **Jubilee Christian Ministries**, at [143 Blue Bell Rd. Greensboro, NC 27406](#), but marked: for **Healing Rooms**.

May the Lord enable us to **FLY HIGH** in **His** perspective,
