

Rachel's Cry

A cry in pain...
A cry for help...
A cry for joy...

An Evening of Prayer for Healing after the Loss of your baby...

This one evening service will be a powerful vehicle for healing. If you have experienced the loss of a baby due to abortion, miscarriage, stillbirth or crib-death, this ministry can help you heal, forgive, grieve and memorialize your loss. This service is for both men and women. Rachel's Cry has been designed to provide anonymity and privacy. If you do not need this help yourself, you know someone who does. Bring them... it will be one of the best gifts they ever receive.
